

Championship

To be held over 9 Rounds, 7 best Rounds will count towards competitor's final position.

To receive points in any race the lap scorers must have recorded the competitor passing the finish line having completed 75% of the Race within five minutes after the race winner has finished. When there is less than 15 competitors, the class will run as three straight races with points awarded for each race, championship points will be awarded as below on the cumulative score. When there is 15 or more competitors, the classes will be divided into an A and B final, two qualifying heats will determine places for the final. Points will only be awarded for Final Race

Only Club Members are eligible for Championship points.
